Cornerstone Apparel, Inc. (dba Papaya Clothing) has been growing in the retail fashion industry since 1999. Our business primarily focuses on the junior and petite apparel markets. We help millions of young women across the U.S. to look and feel their best by offering an extensive selection of clothing and accessories to coordinate the perfect outfit for any occasion.

Our stores are always stocked with the latest styles in women's fashion direct from the manufacturer. Each location also carries a wide assortment of trendy accessories such as jewelry, belts, hats, shoes and more. Since we are a manufacturer-direct business, we do not commission any middlemen and can therefore transfer our savings to customers. Our customers know that they can shop and save with us any day of the year without lowering their standards or waiting for sales at other retailers. In essence, we have created a convenient and exceptional shopping environment that attracts new customers everyday and ensures their return.

Our Company has an impressive track record in the retail business and we expect that trend to continue. We currently operate over 100 retail locations nationwide in Arizona, California, Colorado, Florida, Georgia, Hawaii, Louisiana, Maryland, Missouri, North Carolina, New Jersey, New York, Oregon, Tennessee, Texas, Virginia, and Washington.

It is this type of phenomenal success that allows us to continue to focus all our efforts into the further development and expansion of Papaya Clothing stores.
